Produktinformation

## Measuring software Millimar Cockpit 13

Application:
Smart and universally applicable software for complex measurement tasks in the manufacturing sector

Product features:
- Interactive, touch-enabled software
- Easy and intuitive operation
- User-friendly creation of measurement tasks
- Easiest operation through access to predefined formula templates
- Management of measurement tasks (storage and loading function)
- Linking the measurement task with images or drawings
- Static and dynamic measurement value acquisition
- Supported by graphical control elements
- Live visualization of measured values
- Digit and scale displays of up to 128 features simultaneously
- Connection of Millimar N 1700 modules in conjunction with inductive probes as well as Mahr measuring instruments with data interface
- Connection of Mahr measuring instruments with Integrated Wireless
- Data paging in MS-Excel or as qs-Stat data format (dfq or dfx resp. dfd format)
- Password-protected operator levels (3 levels)
- Online help (operating instructions) directly accessible from the software

.

Package contains:
- Mahr license key
- installation disk
- operating instructions (online help)

Artikel-Nr.: **5312865**

Technische Daten

Display	Vertical bar display Horizontal bar display Analog display or round scale
Range of digital display mm	± 1000
Tolerance display	Upper and lower tolerance limit (per characteristic) Upper and lower warning limit (per characteristic)
Compatibility	USB, Integrated wireless, Millimar N 1700
Measuring combination	Predefined formula templates for standard characteristics Input of links via extensive formula editor
Features	128
Classification	max. 20 classes
Control inputs	via N 1704 I/O module (5331134)
Control outputs	via N 1704 I/O module (5331134)

Zubehör

Bezeichnung	Typ	Artikel-Nr.
		5312802
USB connecting module	N 1701 USB	5331130
Module for inductive probes	N 1702 M	5331120
Power supply module	N 1701 PS	5331133
I/O module	N 1704 I/O	5331134
Receiver for instruments with Integrated Wireless	i-Stick	4102220
Data connection cable USB	16 EXu	4102357
data connection cable USB	2000 USB	4346023
Adapter cable RS-232-USB	Millimar - USB	4102331
